

SOUTH CAROLINA MORTGAGE LOG INSTRUCTIONS

To assist licensees with filing the annual mortgage log, the Department of Consumer Affairs has developed this detailed set of instructions that contain the definition of each data element, the instructions for entering the data element correctly, and an example that shows the correct format of the data entry. The examples show the correct format and not necessarily the correct answer or value (code) that must be submitted. The correct answer or value (code) is based on the licensee's specific loan and/or application data.

South Carolina law requires all mortgage brokers and mortgage lenders/servicers to file a mortgage log each year directly with the State of South Carolina. **This log is separate from the mortgage call report filed with the Nationwide Multistate Licensing System & Registry ("NMLS"), and the HMDA report that lenders file with the CFPB.** The mortgage log submitted must be in the format determined by the South Carolina Department of Consumer Affairs ("DCA") and the South Carolina Board of Financial Licensees ("BOFI"). BOFI instructs its licensees to file directly with DCA. The following guidance is provided to assist licensees in completing and submitting the mortgage log to DCA.

Who has to file?

- All licensed **mortgage brokers** must file pursuant to S.C. Code Ann. § 40-58-65 regardless of the number of loan originations made in 2023. The mortgage log data must include all data required by S.C. Code Ann. § 40-58-65 and identified in 12 CFR Part 1003 et seq., on South Carolina residential mortgage applications and loans, including loans in process, closed loans, turndowns, denials, and withdrawals. If no credit decision was made during 2023 by the licensee or the lender on any South Carolina residential mortgage loan applications, the company must submit a written attestation of "No Activity." Third Party Processors and Underwriters should also submit a written attestation of "No Activity – Third Party Processor/Underwriter."
- All licensed **mortgage lenders/servicers** must file pursuant to S.C. Code Ann. § 37-22-210 regardless of the number of loan originations made in 2023. The mortgage log data must include the data required by S.C. Code Ann. § 37-22-210 and identified in 12 C.F.R. Part 1003, et seq., on South Carolina residential mortgage applications and loans. If no credit decision was made during 2023 by the licensee or the lender on any South Carolina residential mortgage loan applications, the company must submit a written attestation of "No Activity." Mortgage Servicers should also submit a written attestation of "No Activity – Mortgage Servicer."

When is the mortgage log due?

A complete mortgage log must be submitted no later than March 31, 2024. Pursuant to S.C. Code Ann. § 40-58-65 for mortgage brokers and § 37-22-210 for mortgage lenders/servicers, there is a fine of **\$100 per day** for late or incomplete data submissions.

How do I submit the mortgage log?

Email the completed form to mortgagelog@scconsumer.gov with the file name in the following format:

Company NMLS # – Company Name *Example:* 12345 – ABC Mortgage Company, LLC

What if information changes after I submit the report?

All licensees are required to correct and submit a correcting amendment if any information contained in the original filing becomes inaccurate or incomplete in any material way.

Who is available to answer questions about the mortgage log data submission?

After searching these instructions, state laws, and supplemental federal regulation information, licensees may contact DCA by calling (803) 734-4256 or emailing mortgagelog@scconsumer.gov.
