PAWN LOAN INTEREST RATES

Consumers: All pawnbrokers operating in South Carolina are required by law to post a schedule showing the maximum rate of LOAN FINANCE CHARGES stated as dollars for each ten dollars for each thirty-day period that the pawnbroker intends to charge for various types of pawn transactions. The purpose of this requirement is to assist you in comparing the maximum rates that pawnbrokers charge, thereby furthering your understanding of the terms of pawn transactions and helping you to avoid the uninformed use of credit.

NOTE: Pawnbrokers are prohibited only from granting credit at rates higher than those specified above. A pawnbroker may be willing to grant you credit at rates that are lower than those specified, depending on the amount, terms, collateral, and your credit worthiness.

PAWN LOAN INTEREST RATES

Consumers: All pawnbrokers operating in South Carolina are required by law to post a schedule showing the maximum rate of LOAN FINANCE CHARGES stated as dollars for each ten dollars for each thirty-day period that the pawnbroker intends to charge for various types of pawn transactions. The purpose of this requirement is to assist you in comparing the maximum rates that pawnbrokers charge, thereby furthering your understanding of the terms of pawn transactions and helping you to avoid the uninformed use of credit.

NOTE: Pawnbrokers are prohibited only from granting credit at rates higher than those specified above. A pawnbroker may be willing to grant you credit at rates that are lower than those specified, depending on the amount, terms, collateral, and your credit worthiness.
