

# A SCAMMER HAS YOUR INFORMATION?

## 1 *Place a FREE* FRAUD ALERT

Requires a business to take steps to verify it's you that's applying. Call one credit bureau and they'll tell the other two.

*Equifax: (800) 685-1111*

*Transunion: (800) 680-7289*

*Experian: (888) 397-3742*

## 2 *Consider a FREE* SECURITY FREEZE

Prevents a business from accessing your credit report for new products or services, unless you lift the freeze. Call each credit bureau.

## 3 *Carefully* MONITOR

Be sure all your bills and statements are arriving on time and are correct.
