SCAM ALERT

Scammers are targeting businesses with FAKE EMAILS asking for financial information, including W-2s!

Avoid becoming a victim:

- Be wary of e-mail requests for personal, financial or other sensitive information and take time to verify the request in person or via telephone.

- Remember – email is not a safe way to send sensitive information. Don’t transmit account information or sensitive employee information by unsecured email.

- Establish a multi-person approval process for transactions above a certain amount and sensitive information requests.

- Train your staff on information security policies and how to spot the latest email scams.
