**Subject:** Security Alert: Phishing Attempt Targeting Our Community

Dear SC Prep and SC Leadership Community,

We are notifying you of a recent phishing attempt that targeted members of our broader educational network, including external partners, schools, and families.

The malicious email was crafted to appear as though it originated from a trusted source, with the intent to steal login credentials. Our IT security team responded immediately to contain the threat and mitigate further impact.

**Please take the following precautions:**

- Avoid clicking on suspicious links or attachments
- Verify sender addresses before responding to emails
- Report any suspicious messages to our IT team

If you believe you may have interacted with the phishing email, please contact us immediately at **[phishingalert@theinc.us](mailto:phishingalert@theinc.us)**.

We appreciate your continued vigilance and commitment to maintaining a secure digital environment.

Sincerely,

**The INC**

Managed IT Services Provider for Reason & Republic, South Carolina Preparatory Academy,  
and South Carolina Leadership School
