Re: Notice of Data Breach

We are writing to inform you of a data security incident involving some of your personal information. We take the privacy and security of our customers' information seriously, and this letter provides up-to-date information on what happened and what we are doing, as well as information on how you can obtain credit monitoring.

What happened?

We discovered on August 5, 2024, that an unauthorized third party gained access to one of our business applications. After becoming aware of the incident, we immediately took steps to end the unauthorized access, began an investigation with assistance from cybersecurity experts, and alerted the relevant authorities. Based on our investigation, we determined that the unauthorized access occurred between August 3, 2024, and August 6, 2024.

What personal information was involved?

We determined on August 14, 2024, that your personal information was obtained by the unauthorized third party, which included your name and your [data elements].

What we are doing:

Since the incident occurred, we have worked with cybersecurity experts to develop a plan to enhance security protections for the impacted business application. In addition, we have taken steps to deploy and implement additional safeguards onto our systems, and are actively reviewing our security monitoring and controls to enhance and fortify the same.

What you can do:

It is always a good idea to remain vigilant against threats of identity theft or fraud. You can do this by regularly reviewing and monitoring your account statements and credit history for any signs of unauthorized transactions or activity. You can contact the credit reporting agencies if you suspect any unauthorized activity.

You can also enroll in the credit monitoring service we are offering you, which is a complimentary one-year membership to Equifax. This product provides you with identity detection and resolution of identity theft. To activate your membership and start monitoring your personal information please follow the steps below:

- Ensure that you **enroll by: December 31, 2024** (Your code will not work after this date.)
- Visit the Equifax website to enroll: www.equifax.com/activate
- Provide your **activation code:**

¹WebScan searches for your Social Security Number, up to 5 passport numbers, up to 6 bank account numbers, up to 6 credit/debit card numbers, up to 6 email addresses, and up to 10 medical ID numbers. WebScan searches thousands of Internet sites where consumers' personal information is suspected of being bought and sold, and regularly adds new sites to the list of those it searches. However, the Internet addresses of these suspected Internet trading sites are not published and frequently change, so there is no guarantee that we are able to locate and search every possible Internet site where consumers' personal information is at risk of being traded. ²The Automatic Fraud Alert feature is made available to consumers by Equifax Information Services LLC and fulfilled on its behalf by Equifax Consumer Services LLC. ³Locking your Equifax credit report will prevent access to it by certain third parties. Locking your Equifax credit report will not prevent access to your credit report at any other credit reporting agency. Entities that may still have access to your Equifax credit report include: companies like Equifax Global Consumer Solutions, which provide you with access to your credit report or credit score, or monitor your credit report as part of a subscription or similar service; companies that provide you with a copy of your credit report or credit score, upon your request; federal, state and local government agencies and courts in certain circumstances; companies using the information in connection with the underwriting of insurance, or for employment, tenant or background screening purposes; companies that have a current account or relationship with you, and collection agencies acting on behalf of those whom you owe; companies that authenticate a consumer's identity for purposes other than granting credit, or for investigating or preventing actual or potential fraud; and companies that wish to make pre-approved offers of credit or insurance to you. To opt out of such pre-approved offers, visit www.optoutprescreen.com ⁴The Identity Theft Insurance benefit is underwritten and administered by American Bankers Insurance Company of Florida, an Assurant company, under group or blanket policies issued to Equifax, Inc., or its respective affiliates for the benefit of its Members. Please refer to the actual policies for terms, conditions, and exclusions of coverage. Coverage may not be available in all jurisdictions.

INFORMATION ON OBTAINING A FREE CREDIT REPORT

U.S. residents are entitled under U.S. law to one free credit report annually from each of the three major credit bureaus. To order your free credit reports, visit www.annualcreditreport.com or call toll free (877) 322-8228.

INFORMATION ON IMPLEMENTING A FRAUD ALERT OR SECURITY FREEZE

You can contact the three major credit bureaus at the addresses below to place a fraud alert on your credit report. A fraud alert indicates to anyone requesting your credit file that you suspect you are a possible victim of fraud. A fraud alert does not affect your ability to get a loan or credit. Instead, it alerts a business that your personal information might have been compromised and requires that businesses to verify your identity before issuing you credit. Although this may cause some short delay if you are the one applying for the credit, it might protect against someone else obtaining credit in your name.

A security freeze prohibits a credit reporting agency from releasing any information from a consumer’s credit report without written authorization. However, please be aware that placing a security freeze on your credit report may delay, interfere with, or prevent the timely approval of any requests you make for new loans, credit, mortgages, employment, housing, or other services. A credit reporting agency may not charge you to place, temporarily lift, or permanently remove a security freeze.

To place a fraud alert or security freeze on your credit report, you must contact the three credit bureaus below:

Equifax	Experian	TransUnion
Consumer Fraud Division P.O. Box 740256 Atlanta, GA 30374 (888) 766-0008 www.equifax.com	Credit Fraud Center P.O. Box 9554 Allen, TX 75013 (888) 397-3742 www.experian.com	TransUnion LLC P.O. Box 2000 Chester, PA 19022-2000 (800) 680-7289 www.transunion.com

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, the addresses where you have lived over those prior five years;
5. Proof of current address such as a current utility bill or telephone bill; and
6. A legible photocopy of a government issued identification card (state driver’s license or ID card, military identification, etc.).

You may also contact the U.S. Federal Trade Commission (“FTC”) for further information on fraud alerts, security freezes, and how to protect yourself from identity theft. The FTC can be contacted at 400 7th St. SW, Washington, DC 20024; telephone +1 (877) 382-4357; or www.consumer.gov/idtheft

ADDITIONAL RESOURCES

Your state attorney general may also have advice on preventing identity theft, and you should report instances of known or suspected identity theft to law enforcement, your state attorney general, or the FTC.
